

WEEKLY TRAFFIC RESTRICTIONS BY DIRECTION

May 6, 2013

Milwaukee Regional Medical Center remains accessible from all directions the week of May 6th.

From the North:

- No restrictions in effect.

From the South:

- Throughout the week, there will be a closed lane of traffic during the day on Hwy 100 northbound & southbound between Lapham Street and Madison Street for sidewalk repair.
- Landscaping work will cause a lane closure on Greenfield Avenue eastbound & westbound between 126th Street and 109th Street for landscaping work this week until May 10th.

From the East:

- Over the course of the week, there will be lane closures during the day on Wisconsin Avenue westbound, east of 97th Street, for utility work.

From the West:

- No restrictions in effect.

Research Park staff:

- The DOT continues to monitor Research Park entry and exit traffic and is adjusting traffic signals to improve traffic flow.

Tosa Center:

- The traffic pattern on Hwy 100 is scheduled to switch to the west side of the roadway in mid-May.

Greenfield Area:

- Overnight closures will occur on I-894/US45 northbound and southbound between the Zoo Interchange and Cleveland Avenue throughout the week for maintenance work.
- Landscaping work will cause a lane closure on Greenfield Avenue eastbound & westbound between 126th Street and 109th Street for landscaping work this week until May 10th.

A Look-Ahead:

June 23rd to Aug. 6th : Glenview between Wisconsin and Bluemound fully closed

July 20th – July 31st: Full closure of the intersection of Hwy 100 and Bluemound Road

Aug. 1st – 10th: Full closure of Hwy 100 and Watertown Plank Road

Aug. 6th – 24th: Glenview and Wisconsin intersection fully closed
